GOLDPAC STAGING STANDARDS & INCLUSIONS

Effective Date: 17.11.2026

What to expect from your Goldpac staging package

1. OUR PROCESS

Every Goldpac staging project follows the same professional workflow, regardless of package size:

- **Consultation & Design** — We assess the property (on-site or via photos/floor plan) and develop a tailored staging plan matched to the target buyer profile.
- **Scheduling** — We propose an Installation Date. You confirm in writing (email is fine). This becomes the binding date for the project.
- **Delivery & Installation** — Our team delivers all furniture and accessories, sets up each room, and styles the property in a single visit. Typical installation: 2–4 hours depending on property size.
- **Photo/Video Condition Report** — Within 48 hours of installation we provide a secure link (Google Drive) with dated photos of all staged items and their placement.
- **Rental Period** — Your furniture stays in place for the duration specified in your quotation (standard: 12 weeks). Extensions are available on request.
- **Removal** — At the end of the Rental Period, we dismantle, pack and remove all items within 5 business days. The property is left as found.

4. BEFORE INSTALLATION DAY

To ensure a smooth installation, please confirm that the following conditions are met on the Installation Date. This checklist also appears in your quotation as a binding warranty — please review it carefully.

- All construction, renovation, and repair works are fully completed
- The property is clean and free of building debris and excessive dust (broom-clean minimum)
- All windows, doors, and locks are installed and fully functional
- Vehicle access for a delivery truck is available (loading zone, driveway, or street parking clearance)
- Lift/elevator (if applicable) is operational and booked for the Installation Date and time
- Electricity and water services are connected and operational
- No tradespeople or contractors will be present on the property during installation

If any of these conditions cannot be met, please contact us at least 2 business days before the Installation Date to reschedule. Failure to meet these conditions on the day may result in fees as set out in your quotation and the Standard Terms and Conditions (clauses 5.7 and 5.8).

5. DURING THE RENTAL PERIOD

All staged items remain the property of Goldpac PTY LTD throughout the Rental Period. Please keep the following in mind:

- **Display purposes only** — staged items are not for residential use, sitting, sleeping, or storage

- **Protect items** from water, stains, sun fading (close blinds during peak hours), smoke, and cooking odours
- **Pets** are not permitted near staged items
- **Report damage or loss** to us within 24 hours
- **Inform third parties** (cleaners, tradespeople, open-home visitors) that all furniture and accessories are rented staging equipment

Full details of care obligations, permitted adjustments, and liability are in the Standard Terms and Conditions (sections 5 and 6).

6. RENTAL EXTENSIONS

If your property has not sold by the end of the Rental Period, extensions are available. Please request an extension in writing at least 7 days before the Rental End Date.
